Month of

*June*

Name: \_\_\_\_\_

This year for the theme of our church we have decided to call it the Year of One. We have decided to focus on **One Faith, One Church, and One Person**. Each month for the summer, we are going to give you a small booklet to help you grow in these areas. The booklet is for you to work through and assist in developing your faith, grow in community in our church, and reach the one person God has put in your life to reach. This booklet will be broken into three sections. The first section is **One Faith**. In this section, you will have a shorter book from Scripture to read. After each chapter you read, there will be questions to help you reflect on what you just read. This section is intended to help you with your personal quiet time with the Lord. The second section is **One Church**. This section is to help you find ways to engage with other people/families in our church. Community does not just happen in a church, the church must be intentional about making community possible. It is intended to help guide you and help you plan for community in your life and also give you ways to serve together. The final section is **One Person**. This section is designed to help you reach the one person in your life God has called you to reach for the Gospel. Before you begin this booklet, take time to pray that God would use this to make you more like Christ.

*“There is one body and one Spirit-just as you were called to the one hope that belongs to your call- one Lord, one faith, one baptism, one God and Father of all, who is over all and through all and in all.” -Ephesians 4:4-6*

# One Faith

For the month of June, read through the book of Galatians. This is a shorter book and can be read rather quickly, but take your time and study this text. The questions that are provided are just a starting point for you. You can go deeper in this text by looking at commentaries. There are many of commentaries online that are free and plenty of sermons that are available online as well. Enjoy your time in God's Word, let it be a five course meal that you sit down for and not a fast food restaurant that you go to because its quick and cheap. Pray that God will use this study to grow you deeper in your faith.

## Chapter One

1. Who is writing this letter? What do you learn about this person? What do you think about all that?
2. What do you learn about God from the beginning of the book? What do you think about that?
3. Why does Paul say that God chose him? What did Paul do when God showed Jesus to him? Where did Paul go? What do you think about all that?

## Chapter Two

1. Why did Paul go to Jerusalem? What did Paul tell the leaders? Why did Paul do that? What do you think about all that?
2. What does Paul know? If you obey the Jewish law, what will it not do? What does God require? What do you think about all that?
3. What do you learn about God's kindness? How do you please God? What do you learn about Christ's death?

# One Faith

## Chapter Three

1. Why do you need God's Spirit? Why might the Galatians be foolish?
2. What must people do to have a right relationship with God? What does not lead to a right relationship?
3. Why did God give the laws to the Jews? How long did the Jewish laws continue? Who gave the Jewish laws? What do you think about all that?

## Chapter Four

1. What happened 'at the right time'? What else do we learn about God's Son?
2. What does Paul tell the Galatians? What does Paul ask the Galatians to do? What do you think about that?
3. What are Christians not like? What are Christians like? What do you think about all that?

## Chapter Five

1. Why do the Christians have freedom? Of what are the Christians to be certain? What must the Christians not do? What do you think about all that?
2. By what power do Paul and the people who believe in Jesus live? Whom do they trust? What effect does that have? To what do they look forward?
3. What has the Holy Spirit done? What must we do? What do you think about that?

## Chapter Six

1. What may happen to a Christian? Who 'should show the person the right way'? Of what should that person be careful?
2. On what do some men insist? Why do they do that? What do they want to avoid? What do you think about that?
3. About what is Paul completely confident? About what does Paul feel pride? What is Paul's attitude to the affairs of this world?

# One Church

One of the biggest blessing of the church is the community that can be found in it. Our goal at City Park Church is for you to feel a part of a family. The summer is a great time to build this community. The days are longer, the weather is nice, and festivals are abundant. This week look at your calendar, and look for days that you have open to spend time with your fellow brothers and sisters in Christ. Community only happens when we, as the body of Christ, are intentional about spending time with one another. You may not need to open a day or schedule another event, but maybe you can invite a church member or family to something you already have planned. Use the calendars on the next page to help with that.

Think of someone/family you would like to get to know better or spend more time with. Try to schedule a few things this summer to do. The resource “Extraordinary Hospitality” can be helpful in this area.

## Ideas:

Playdate at the Park

Go out after Church for lunch

Go get Ice Cream

Dinner in the City

Festival

Cookout

Dash Game

Movie

Pool Day

Hike

# One Church

Another wonderful way to build community is to serve together! Each month this summer we have one major event that you can get involved and serve in. This month we are having a Fun Fest for the community. We are going to have games and food for the community. We are hoping to have many volunteers to help make this event happen and be successful.

## **June 25th- Family Fun Fest**

How you can help:

Run Games

Greet

Set up and Tear Down

Donations

If you would like to volunteer, please let us know. Another event that we have each month are the prayer walks. This is a great chance to be with other people from the church as we walk and pray for our community. These happen on the first Saturday's of the month.

# One Person

This year we have challenged each person in our church to reach out to one person in their life that doesn't know Christ. You can obviously reach out to more but for all of us we should have one person in our life that we can share Christ with. For this month in this section, take inventory of where you are in this process. How have you tried to reach this person? How is it going? In the chart below, place your one's name where you are in the process. This month, try to move your one from one section to the next.

**Invite:** You have invited this person to something that is church related. If you haven't done this here are a few things that you invite them to. The Fun Fest is coming up on the 25th, Sunday Service, Men's or Women's group, or to one of the times you spend time with another church member outside of Church.

**Gospel Conversation:** This is when you take a conversation and turn it into a conversation about faith. This may not be an explicit sharing of the Gospel but you are working the Gospel into a conversation. I knew a missionary that worked at a school and he was intentional about everything he placed in his office. If anyone asked him about anything in his office, he could turn that conversation into something about the Lord. Have you had a conversation like this with your one? If you have invited but haven't done this yet, then keep them in the invite column. This month, try to do this with them and move them to this section.

# One Person

**Shared the Gospel:** Put your one's name here if you have explicitly shared the Gospel with them. If you have been having spiritual conversations, but haven't shared the Gospel yet, try it this month. Ask for a response from them. If they believe, that will be amazing to celebrate. If they don't, pray for more opportunities.

**Received or Reject:** What was the response? Hopefully you will be praising the Lord for what He has done but if not, it just means you have more time to share.

**Need to try again:** Put their name here if you need to start the process over again.

Invite	Gospel Conversation	Shared the Gospel	Received or Reject	Need to try again

Some of the resources we have given in the past can help you with this section. Go back and look at "B.L.E.S.S." and "Questioning Evangelism." Both of these books can be very helpful as you reach out to your one!
